Havana

The image features three modern, sculptural chairs arranged around the word 'Havana'. The chairs are in red, blue, and yellow, each with a dark brown, textured seat. They have a curved, bowl-like back and four thin, tapered legs. The background is a plain, light gray surface.

Havana

by Formetiq

Vibrant colours with a simple lightweight form make Havana chairs and armchairs the ideal design choice for multiple spaces.

FORM FOR EVERY FUNCTION

The Havana range from Formetiq offers is simple, and versatile offering a lightweight option for every space, including meeting rooms, breakout zones and collaborative workspace.

The vast choice of base options allows Havana to be used as an agile collaborative chair, comfortable visitor chair or relaxing lounge chair, all sharing the same sleek form.

Choose from a family of colourful chairs and stools is available in 7 vibrant colours, or comfortable armchairs in the same colours or a fully upholstered version. For additional comfort an upholstered seat pad can be added to chairs and armchairs.

INJECT SOME COLOUR!

Havana's robust plastic shell is available in white, black, mustard yellow, brick red, blue, sale green and dark grey. The plastic shell is made of polypropylene with glass fibres meant for higher resistance and with anti-UV treatment.

Our production team can upholster Havana in almost any fabric from popular manufacturers like Camira and Gabriel as well bespoke fabrics.

These vibrant colours coupled with an endless choice of fabric options make Havana the ideal choice for injecting colour into contemporary workspace designs. Havana plastic shell colours work beautifully with Camira Rivet fabric, made from 100% post consumer recycled polyester.

MADE IN THE UK

All our Havana seating is manufactured by our expert team at our Suffolk HQ. Each chair is lovingly built by hand using high quality Italian componentry and our carefully crafted sewing and upholstery process.

Havana chairs come with our outstanding Formetiq 10 year manufacturer warranty. Havana is EN 16139:2013 compliant.

Upholstery

All our Havana seating is manufactured by our expert team at our Suffolk HQ. Each chair is lovingly built by hand using high quality Italian componentry and our carefully crafted sewing and upholstery process. Havana chairs come with our outstanding Formetiq 10 year manufacturer warranty.

We now offer a huge range of fabric choices with multiple colours and materials, from respected manufacturers across Europe.

CAMIRA®

Camira, founded in 1974 make more than 8 million metres of fabric a year. They design and make some of the world's most adventurous and environmentally

sensitive fabrics with expertise covering wool spinning and polypropylene yarn manufacturing, yarn dyeing, and weaving on dobby.

GABRIEL®

Since the first spinning machines were set in motion in 1851, Gabriel has evolved into a global fabric company, providing a full palette of solutions and services for the international furniture industry, including fabrics, acoustic comfort, knitting and embellishment services.

From the first woollen cloth in 1851 to their high-performance furniture fabrics today, their dedication to quality, aesthetics, and function has remained the same.

SAMPLES

Place your purchase order in the normal fashion, clearly noting item(s) are for use as samples. If returned in a saleable condition within 30 days, these will be credited.

CUSTOMER'S OWN MATERIAL

Customer's own materials or unlisted fabrics must be approved and quoted by Arrow Group before placing orders. We are unable to guarantee any product meeting fire regulations or standards which is supplied in a COM.

Form | Function | Intelligent design

Every piece of furniture our designers create aligns with our three core beliefs: it must look beautiful, work well for you and be made in the most resource-effective way.

At Formetiq® we believe days spent in a well-designed workspace can be enjoyable and an improved working environment invariably brings increased productivity.
